

# Into the Black Forest

| Level of difficulty | surface                         | Type of bike            | Refreshments   | Elevation   | Distance   | Duration  |
|---------------------|---------------------------------|-------------------------|--|---|--|---|
| ●○○<br>easy         | 50% forest path,<br>50% asphalt | gravel, MTB, e-<br>bike | <br>4x on the route | <br>309 m | <br>15,9 km | <br>1:15 hrs |

"If you're afraid, you shouldn't go into the forest – and definitely not into the dark one... but this time, there's nothing to fear. It's time to enjoy nature and the beauty of this forest. The charm of this route is complemented by scenic views from the Lipenka train over the Vltava River, which is especially full of...
