

## Into the Black Forest

surface
50% forest path,
50% asphalt

Type of bike

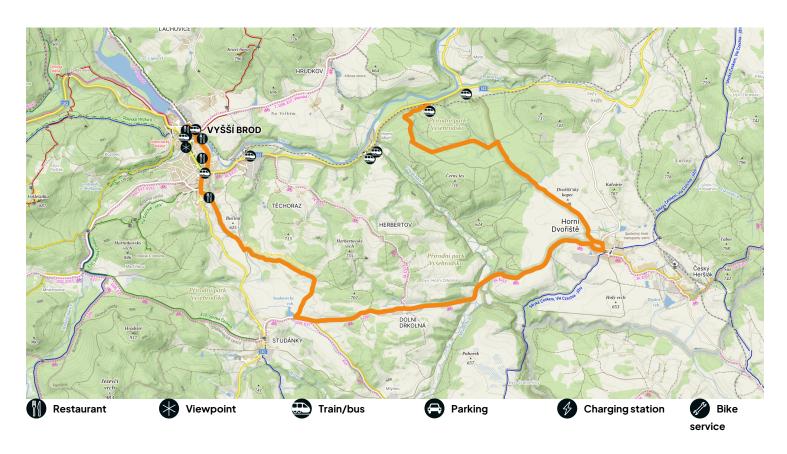

gravel, MTB, ebike

If you're afraid, you shouldn't go into the woods – and definitely not into the dark ones. But this time, there's nothing to be afraid of. It's the perfect moment to set out and explore the beautiful Czech forests! Part of this route includes a train ride back from the Rožmberk stop to Vyšší Brod on the so-called...
